5

**Creamy, special skin cleanser for light skin cleansing, perfume-free.**

#### Description

Estesol® mild wash is a creamy, special skin cleanser featuring mild cleansing power and good skin compatibility. It is designed for all types of light contamination which could otherwise only be removed by using scrubbing agents and solvents.

#### Area of Application

Light-grade dirt caused by dust and grease. Estesol® mild wash can also be used to clean the whole body. Can be used in Food Industry applications.

#### Product Description

Viscous, perfume-free, uncoloured, water-soluble, pearlised liquid.

#### EU Ecolabel

Within the cosmetics industry the EU Ecolabel guarantees highest environmental standards. Specific test criteria are used to analyse the impact of the product throughout its life-cycle, starting from raw material extraction, through to manufacturing, distribution and disposal.

#### Instructions for Use

- Rub Estesol® mild wash onto the soiled areas of skin.
- Wash using just a little water.
- Thoroughly rinse off.
- Dry carefully.
